Welcome to Desert Sportsman's Rifle & Pistol Club Inc. and thank you for your interest in membership.

General membership meetings are held on the first Tuesday of every month at 7:00 p.m. in the DSRPC Club House located on the range. All members are welcome to attend.

Executive board meetings are held on the fourth Tuesday of every month at 7:00 p.m. in the DSRPC Club House located on the range. If you have any business to take before the E-board, contact them in writing, at the club address, so you can be put on the agenda and they will let you know the date and time to be there.

In addition to meetings, there are competitions, work parties and social events. We hope to see you often. You will receive "THE SPORTSMAN", our newsletter, each month with a calendar of events. A list of officers and match directors is also included in each newsletter. So, if you have any questions or comments, please do not hesitate to call. Please be sure to **notify us of any change of address or telephone number promptly**; you won't want to miss out on newsletters or other special announcements, which we send.

The combination to the range lock is Club property. Releasing this combination to anyone who is not a Club member is a rule violation. Violation of the rule will result in a \$50 fine and failure to pay the fine will result in expulsion from the Club. Main Gate combinations will be found in the newsletter, and are changed every month after the general meeting. **Do not give out the combination to non-members!**

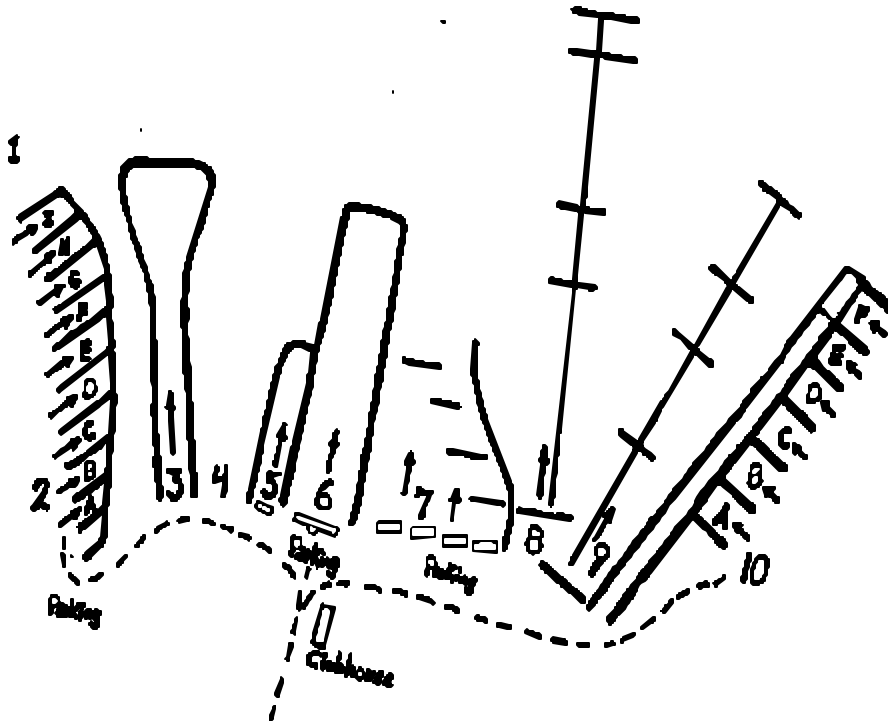

Range Safety Officers are here to help YOU!!! Among their duties is to make sure the range rules are being followed and assist members in any way they can. Please give them your cooperation.

There have been problems with vandalism of locks on the gate, and with trespassing during construction and other times that it has been necessary to close the range. If there is a key or a combination lock that does not work with the newsletter combination, it means the range is closed for an important reason. Please do not cut the lock, fill it with sticks or super glue etc. Also do not drive around the main gate to get in. These things constitute vandalism & trespassing and will cost you your membership.

Membership and dues information may be obtained by calling: 702-642-9928. You may be asked to leave a message, but we will return your call as soon as possible. We are always happy to send membership applications to friends and associates of members. If you wish to recommend someone for membership, just let us know.
